Assalaamu Alaikum

Year 11 Enrichment

We hope that this letter finds you in the best of health and imaan. Ameen

As you are aware, Year 11 students will be visiting Laser Quest and Trafford Centre on Thursday.

The arrangements for the day are as follows:

Students will arrive to school normally at 8.15am and leave for their trip shortly afterwards. They will return to school at approximately 4.30pm.

Activities at Laser Quest will include Rock Climbing and Laser Tagging. We recommend that students wear comfortable, dark, casual clothes and flat shoes with a sole that grips for the activities at Laser Quest. The wearing of the Hijaab is required at all times, and should be tight fitting around the head. Students must also wear plain black jubbahs to and from the venue. It is expected that all students will dress modestly according to Shariah.

Pupils may bring mobile phones, to be used in case of an emergency only. However, please note that students are prohibited from taking photographs during the trip. Any student misusing their phone during the trip will have it confiscated and returned at the end of the term.

It is recommended that pupils bring no more than £15:00 to spend on the day. Pupils are liable for the money they bring and must take personal responsibility for keeping it safe.

Students will need to bring a packed lunch and bottled water. If your child receives Free School Meals, then, lunch will be provided by the school.

Yours sincerely

Iqbal Patel
Vice Principal
