CHESHIRE WEST AND CHESTER COUNCIL

Upton Heath C of E Primary School

Learning Together

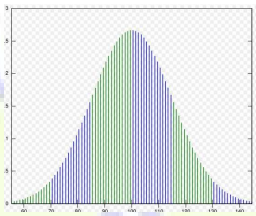
Head Teacher: Mrs. P.L.Moreton

EYFS REPORTS

Please find enclosed your child's report along with their attendance record and their own personal written report giving their view of how they have learnt and what they have enjoyed.

They have been written using a collection of assessment information gathered throughout the year including teacher assessment and by continuous moderation of individual children's progress which is tracked by the Senior Leadership Team. This information is then brought together based on how your child may be expected to be performing for their age. There are comments written for each area of learning.

It should be remembered that each child is individual and every child at Upton Heath C of E Primary could never be expected to be performing at a level above what is expected. This is based on data that is called a 'normal distribution curve'.



This means that there will always be some children performing above, or well above and likewise below and well below. As a parent you need to be aware of where your child is performing and know what is being done to challenge and support your child no matter where they are.

I have provided a feedback form for you to complete on your child's report. It would help me if you could take a few moments to fill it in so that we can use this to improve the information that we share with parents.

If you have any queries about your child's report you may wish to make an appointment with the class teacher. Please feel free to contact the school office to arrange a mutually convenient time.

Many thanks for your cooperation and continued support,

Yours faithfully

P. L. Moreton
