Dear Parent/Guardian

Introducing the SAM Learning service

At school we are always looking for ways to extend our students' learning. Part of our improvement programme involves the use of SAM Learning, a unique online service that covers all subjects. SAM has a proven track record; studies have shown that using the service leads to better exam results. Students may find the resources useful to help with revision over the Easter recess.

Access details

Students are able to access the service at anytime and anywhere. It is available to them in school, but also at home, in the library and community centre. All they need to do is visit the website and enter their unique login details.

Website address: www.samlearning.com

Centre ID:	BL5WH
User ID:	Date of birth followed by two initials: first name then last name. Example: 010896DJ is the User ID for David Jones born 1st Aug 1996.
Password:	Initially same as the User ID, Learners are encouraged to change this to something difficult to guess.

It is advised that students keep a record of the access details in their homework book.

How to get involved

All students will be shown how to use the service and you might wish to ask them how it works.

We hope that your child is able to take full advantage of SAM Learning and thank you in advance for supporting the initiative.

Yours faithfully,

Mr. D. Slater
Director of New Technologies
