

# Motor Skills Development

## Aims

The aim of this course is to equip candidates with knowledge, skills and confidence when working with young people with motor difficulties.

## Audience

SENCOs and support staff working with children and young people in mainstream settings

## Outcomes

Participants will:

- Gain an awareness of potential barriers for young people with motor difficulties
- Gain an understanding the importance of motor skills in the developing child
- Learn how to identify underlying motor difficulties
- Gain awareness of interventions and resources that can be used in daily practice
