Dear Parents,

This year, we have issued each child with a homework diary. These are to replace the old red reading records, and they are to be used to record the children's home and school reading as well as any additional homework tasks that they may have been set (such as spellings, targets and speed maths sheets). There is also a space at the bottom of each page for you to sign at the end of the week and a weekly activity and reading based on Gospel readings to share as a family. We would like to remind you that children should be reading a minimum of 2 reading books per week in KS2 and 3 books in KS1.

Please sign each week. We also welcome any comments about the children's homework, but we politely ask that this space isn't used for home/school correspondence

We would like to ask for your help with reminding your child to bring in to school their homework diary each day as staff may wish to write in them about your child's learning in school. We expect that the youngest members of our school family will need their diaries completing for them initially by the staff at school and yourselves. **If a diary is lost, misplaced or damaged then please mention it to the school office.** We ask for a contribution of £4.00 to replace a diary, which we hope will encourage the children to treat them with care. Thank you for your continued support,

Miss Middleton, Miss Dewhurst and Miss Martin. (The English Co – Coordinators)
